Important information about data protection

The data is subject to social secrecy (see also Chapter 17 of the information sheet). Your information is collected based on Sections 60 to 65 of the First Book of the Social Code (SGB I) and Sections 67a, b, c of the Tenth Book of the Social Code (SGB X) for the benefits under SGB II.

Instructions for filling out the application for benefits for education and participation

A claim only exists from the beginning of the month in which the application is submitted.

Benefits can be applied for for students up to the age of 25 if they attend a general or vocational school and do not receive a training allowance.

The same applies to children who attend a daycare center. The term "daycare facility" includes both kindergartens and all other forms of childcare provided by childminders or similar institutions.

The benefits for participation in social and cultural life (point E) can only be provided for children and Young people who are not yet of legal age (under 18 years of age) are provided.

Please indicate for whom the benefits are being requested. Several can use the application Services are claimed. A separate application must be submitted for each person.

School/daycare center excursions

With the approval, the costs for all one-day trips to the school/daycare center are covered until the end of the approval period.

School trips

Both costs for school trips lasting several days within the framework of school law regulations as well as corresponding trips from daycare centers can be taken into account.

Student transport

The transport costs incurred for attending the nearest school for the chosen course of study are taken into account, provided these are not supported by third-party subsidies.

Additional appropriate learning support

Please enclose the "Learning Support" form filled out by your class/subject teacher with your application.

A need can only be taken into account if the necessary learning support is not already provided within the framework of child and youth welfare via the youth welfare office due to special cases (e.g. health reasons).

Community lunch at school/daycare center

Please confirm by checking that the student regularly attends the community attends lunch.

Information on costs and average utilization is required to correctly determine needs.

Participation in social and cultural life

If activities are already being carried out or are planned, please provide relevant information. A request for payment, a membership contract or a written confirmation from the provider/association about the costs can serve as proof.
